## 1898 Yukon Sourdough

A big thank you to Ione Christensen for allowing  
The Railwork Lounge to use and serve the sourdough  
starter that has been kept alive by her family  
for over 125 years.

You are enjoying this same sourdough starter in our  
1898 Yukon Sourdough waffle bread  
proudly made onsite at  
The Railwork Lounge/Raven Inn

## 1898 Yukon Sourdough History

The Yukon Gold Rush 1896-1899  
brought more than 100,000 people to the Yukon  
seeking their fortune. One of these gold miners was  
the great-great-grandfather of Ione Christensen.  
Somewhere on the trail to Dawson City, Yukon in  
1897/98 he received this sourdough starter from  
another gold miner. The women of this Yukon family  
have been using, feeding, and sharing the  
sourdough starter since that time.

This is the culture of sourdough starter:  
share it freely, feed it often, and it will  
stay alive indefinitely.

The 1898 Yukon Sourdough Starter is available here.  
Ask your server for details.

## Railwork Lounge Breakfast Hours

Monday to Saturday 7:00am - 11:00am

Sunday 8:00am - 2:00pm

Please inform your server if  
you have any allergies
